45 Minutes

Frequency of Use

Can be used between matches or rounds - as frequently as needed or desired.

Can only be applied once before a match or tournament.

Knowledge Level

Can be used by anyone walking at a normal pace

Proper use includes knowledge of the solution, application and disposal. insufficient knowledge of the process makes the application useless.

Effectiveness

Eliminates 99.7% of pathogens with one pass

Virtually ineffective if not applied correctly.

When you're done

Easily rolls into storage closet

Dumping mat cleaner down the drain is in violation of federal EPA law. Proper disposal must be done in an EPA approved manner.
